

**“Tim Sika KGO 810am Radio  
San Francisco review OVATION!**

“Get ready to applaud OVATION!, a joyous ode to the theater, to show business and to the colorful people who inhabit these worlds--all done in the inimitable Henry Jaglom style...uniformly terrific performances by Tanna Frederick (the wonderful and appealing actress showing us yet another dimension of her amazing talent here) and James Denton--in addition to the entire ensemble cast including Jaglom’s real-life children Sabrina and Simon.”

Tim Sika, KGO 810 Radio Review
